

## Hello, and thank you for your interest in Kitty Kat Haven!

Everything we do here at KKH is done in the best interest of the felines. We strive to make each of them happy, healthy, and comfortable while in our care. Due to space limitations, we can only take up to **4 cats per household**. To ensure the health and wellness of our current residents as well as your incoming cat(s): **these requirements must be met before surrendering your cat to us:**

- 🐾 The cat must be an **ADULT**, 10 months & up. They **MUST** be people-friendly.
- 🐾 Cat lives within **45** miles of Chehalis
- 🐾 **Tested for both FIV/Felv** (\$55 at scatter creek in Rochester) blood test, you will need to bring the time of surrender. If using Scatter Creek, tell them it's for Kitty Kat Haven.
- 🐾 A **short bio** on your cats (personality, type of home they came from, inside/outside, good with children? Dogs?)
- 🐾 **Minimum fees (per cat, unless told otherwise) are due at the time of surrender.** This helps us with the cost of a vet visit (wellness exam), and any other initial medical treatment required, as well as care for your cat. **Fees are non-refundable.**
  - **\$50** for a cat spay/neutered and under 10yrs,
  - **\$100** if the cat is over the age of 10yrs OR has behavior issues.
  - **\$125** if a cat has medical issues or any un-spayed/ un-neutered cat.
- 🐾 Some bedding that smells like "home" (place an old towel on their favorite spot and bring it with them) and anything that is "**theirs**" you'd be willing to send with them.
- 🐾 The **food & treats** the cat is used to eating. **MUST BRING at least 2 week's worth**
- 🐾 If on any **medications, supplements, or Rx food**, you **MUST BRING at least 1 month's worth**, this will help us keep them on whatever they are until our Dr. can examine them. Extra food and medication are always a plus.
- 🐾 **Medical records** - You must call your **veterinarian and have them email KITTYHAVENWA@GMAIL.COM information** for your cat. Please any records you have.
  - Current on vaccines is a plus but **not required**; medical records is a plus.

We want to make this transition as easy and stress-free as possible for your cat. Please keep this document so that you can make sure you have everything we, and the cat, need at the time of surrender. We do intakes between **2 pm - 5 pm** by appointment **ONLY**.

We look forward to hearing from you.

Sincerely, Kitty Kat Haven
